

## Consent Form for participating in an EC BovReg project Democs Game

Please tick the appropriate boxes

<b>Taking Part</b>	<b>Yes</b>	<b>No</b>
I confirm that I have read out the Participant Information Sheet for the BovReg Democs game to the group	<input type="checkbox"/>	<input type="checkbox"/>
Participants have been informed that taking part is voluntary; They can withdraw from the game at any time and do not have to give any reasons for why they no longer want to take part.	<input type="checkbox"/>	<input type="checkbox"/>
Participants have been informed that they are free to fill in as much or as little of the option forms as they wish.	<input type="checkbox"/>	<input type="checkbox"/>
<b>Use of the information provided for this project:</b>	<b>Yes</b>	<b>No</b>
We understand personal details such as name, phone number and address will not be collected.	<input type="checkbox"/>	<input type="checkbox"/>
We understand that we will be invited to indicate anonymously gender and broad age-range for purposes of analysis. We further understand that we do not have to provide this information if we do not wish to.	<input type="checkbox"/>	<input type="checkbox"/>
We are content for the group's 'cluster cards' to which we may have contributed, to be collected by the organisers and used in subsequent analysis.	<input type="checkbox"/>	<input type="checkbox"/>
We are content for our individual votes and opinions on the questions in the options forms to be collected by the organisers and used in the subsequent analysis. No data which could identify individuals will be collected. Data that is collected will be made available to other researchers in the spirit of open science.	<input type="checkbox"/>	<input type="checkbox"/>
I understand that while the research team will not collect individual identification they will record the date and location of the meeting.	<input type="checkbox"/>	<input type="checkbox"/>
